1. It has been established that you felled trees at Toton Railway Sidings, without a felling licence in contravention of the provisions of the Forestry Act 1967. The Forestry Commissioners, in pursuance of their powers under Section 17A of that Act, hereby give notice requiring you to carry out the restocking specified in the schedule below.
2. Your attention is drawn to the notes overleaf.

SCHEDULE

1. Before 30th June 2011 the felled areas outlined in blue on the map attached to this Notice must be restocked. A minimum of 2,200 silver birch trees should be planted but natural regeneration of any site native tree species will be considered an acceptable contribution to achieve a stocking density across the restocking areas of no less than 1,110 trees per hectare. The trees must be properly protected and maintained in accordance with good forestry practice.
2. For a period of 10 years from planting or, the successful establishment of natural regeneration, the trees must be protected against damage and be adequately weeded.
3. Any failures or losses must be replaced as necessary to provide satisfactory stocking (see 1). The restocking areas must be properly maintained, all in accordance with the rules and practice of good forestry.

NOTES

i. If the person to whom this notice is given objects to the notice or to the conditions contained in it, he may, by notice served on the appropriate Minister in the manner and within the period (three months) prescribed in Regulation 8A of the Forestry (Felling of Trees) Regulations, 1979 (SI 1979 No 791) - as amended by the Forestry (Felling of Trees) (Amendment) Regulations 1987 (SI 1987 No 632) - request the appropriate Minister to refer the matter to a Committee appointed in accordance with Section 27 of the Forestry Act 1967.

ii. If, after the expiration of the time specified in this notice, any of the steps required by the notice have not been taken, the Forestry Commissioners may, in accordance with the powers granted to them by Section 24 of the Forestry Act 1967, give notice to the owner of the land requiring such steps as may be specified in the notice to be taken to remedy the default.
