"What you see is what you get with me. I am proud to support a Government that has worked in Coalition to take our economy from the brink of bankruptcy to one of the strongest in the world. In five years the number of people claiming unemployment benefit in Broxtowe has more than halved, that means hundreds of people in work. And as your MP, I have defended our green belt, fought on behalf of residents and businesses affected by the tram works and won compensation for many. It's been a real pleasure, honour and a privilege. There's more to be done and I hope you will be so good as to re elect me on May 7."

Anna Soubry

Working hard for Broxtowe and getting things done!

Hello again,

Postal voters are receiving their ballot papers and if you are one of them I hope you will vote for me to remain as your MP.

Thank you to everyone who has pledged their support - Labour, Lib Dem, Independents and people who have never voted for anyone before, are telling me they are going to vote for me.

This is an important election and given how marginal Broxtowe is (my majority over Labour is just 389) your vote is particularly important and can make a real difference.

It's easy to concentrate on the more negative side - the real possibility of a minority Labour Government propped up by Nicola Sturgeon; the thought of Ed Miliband as our Prime Minister ready to take us back to the economic recklessness that almost destroyed our economy in 2010.

I'd like to give you 5 positive reasons to vote for me

1. I'm plain speaking, hard working and have got things done as your MP
2. I have consistently campaigned to protect our green belt land from development
3. I have stood up for residents, commuters and businesses badly affected by the tram works, winning compensation for businesses and an enquiry into the mismanagement of the project.
4. I am a passionate supporter of our great towns - I have started the work to help rejuvenate them working with traders, residents and community groups. I want to finish the job!
5. The number of people claiming unemployment benefit in Broxtowe has more than halved. This is because our economy is improving as a result of the difficult decisions we have taken. During the last five years the Government has taken us from the brink of bankruptcy and restored our economy; if we let Labour back in, they will ruin that success.

Voting for me will ensure we continue building a better economy, providing a brighter more secure future for all.

If you are a postal voter and decide to vote for me then please let me know - it will mean we won't come knocking on your door!

As ever,

Anna
